

ASIM ALI

Senior Laravel Backend Developer | Full-Stack PHP Developer | AI-Assisted Web Development

Pakistan (Remote) | +92 315-4936412 | asimgee105@gmail.com | asimgee105.github.io/Portfolio

PROFESSIONAL SUMMARY

Backend-focused Laravel and PHP developer with 3+ years of experience building and maintaining enterprise web platforms, RESTful APIs, and database-driven applications for clients across real estate, e-commerce, education, and SEO tooling. Experienced integrating AI-assisted workflows and prompt engineering into content and SEO pipelines, and implementing technical and programmatic SEO, structured data, and Core Web Vitals improvements. Comfortable working independently in distributed, remote-first teams, optimizing MySQL databases, and delivering secure, maintainable backend architecture end to end.

TECHNICAL SKILLS

Languages: PHP, JavaScript, HTML5, CSS3

Frameworks: Laravel, CodeIgniter 3

Frontend: AJAX, Tailwind CSS, Bootstrap

Databases: MySQL (design, query optimization, performance tuning)

APIs & Integration: REST API development, third-party API integration, authentication & authorization, payment gateway integration

AI-Assisted Development: AI-assisted content workflows, prompt engineering for content/SEO pipelines

SEO: Technical SEO, Programmatic SEO, Schema Markup / Structured Data, Core Web Vitals Optimization, Google Search Console, Google Analytics

Deployment & Tools: Git, GitHub, Composer, NPM, Linux Server, cPanel, VPS deployment

Currently Learning: OpenAI API integration, Claude API integration, AI agents, MCP concepts

PROFESSIONAL EXPERIENCE

Backend Developer — HaddockSoft

2022 – 2025

- Developed and maintained large-scale web applications using PHP, Laravel, and CodeIgniter 3.
- Designed data models and database structures for efficient, scalable storage.
- Integrated third-party APIs for payment processing and cross-system data synchronization.
- Collaborated with frontend developers and tested/debugged features to maintain production reliability.

Backend Developer (Intern) — POS Project

2023 – 2025

- Built and maintained backend systems for a Point of Sale management application using PHP.
- Designed and implemented RESTful APIs to exchange data between system modules.
- Optimized database queries to improve application performance.
- Participated in code reviews and provided feedback to peers.

Freelance Web Developer — Fiverr

2024 – 2025

- Delivered 3 completed projects for international clients on Laravel, CodeIgniter 3, and Core PHP.
- Built responsive, mobile-friendly websites using Tailwind CSS and Bootstrap.
- Developed dynamic frontend features using AJAX and JavaScript.

SELECTED PROJECTS

ApnaSahiwal.com — *Laravel, MySQL, JavaScript, AJAX, Tailwind CSS, Technical & Programmatic SEO*

City information and local business listing platform. Built dynamic listings and category pages, advanced search, and an admin dashboard. Implemented SEO-friendly URL structures, schema markup, and AI-assisted content workflows to support programmatic SEO at scale.

OSHAAcademy.us — *Laravel, PHP, MySQL, Technical SEO, Schema Markup*

Contributed to backend feature development and technical SEO optimization, including structured data, Core Web Vitals improvements, and AI-assisted content workflows to improve organic visibility.

AllToolPro — *Laravel, REST APIs, AI-assisted features, Technical SEO*

Enterprise SEO tools platform. Developed backend features and API integrations, and worked on AI-assisted tooling and SEO optimization for the platform's tool pages.

LuxLiving • One Earth Properties — *Laravel, CodeIgniter 3, MySQL, REST APIs*

Real estate platforms with property listing and management features. Built backend modules, integrated APIs, and optimized SQL queries for real estate operations.

Skillful Sahiwal • iBazar • POS System — *Laravel, PHP, MySQL*

Learning management system with course and student modules; e-commerce backend with product, order, and payment handling; and a Point of Sale system with inventory and sales reporting — each built with authentication, admin dashboards, and optimized database design.

EDUCATION

BS – Computer Science, Govt. Postgraduate College, Sahiwal — 2023

Intermediate (FSC), Govt. Postgraduate College, Sahiwal — 2020

Languages: English (Professional Proficiency), Urdu (Native)
